

BUGS - PHYSICAL CHARACTERISTICS WORKSHEET

COMPLETE THE FOLLOWING:

- 1. How many body parts does your bug have? How many legs?

- 2. What shape is the body? What shape are the legs? Make a small sketch of them.

- 3. What has the bug done to help it hide? (Camouflage)

- 4. Is your bug an insect? How do you know?

- 5. What can you tell about the bug by looking at its mouth?
